Our Sweepstakes exhibit at Yakima International Gladiolus Show.
This exhibit gave us permanent possession of the large gold trophy for our third successive sweepstakes.

ALL AMERICA GLADIOLUS SELECTIONS —

During the past few years, trials have been conducted on the two following varieties, both in the U.S. and Canada. In an endeavor to eliminate some of the worthless varieties that are introduced each year, hundreds of seedlings in the trial gardens were judged, but only these two came up to the standards necessary for an ALL AMERICA SELECTION. The two varieties are patented, so resale of any of the bulbs, bulblets or flowers is strictly prohibited unless you are licensed to do so.

APPLEBLOSSOM (Fischer) (460) — This is a light rose with a nice creamy undertone. Somewhat similar to Columbia, but a taller and more robust grower.

LG. bulbs only — \$1.00 EACH

ROYAL STEWART (Pommert) (450) — A light red that approaches perfection. Tall graceful spikes, one after another. Absolutely without equal in the light red class.

LG. bulbs only — \$1.00 EACH

MINIATURE GLADIOLUS

Demand has been terrific on our stocks of miniatures. At the present time we are unable to quote prices per 100 or 1000. All stock offered is bulblet grown and certain varieties made much larger sizes than others, but we are going to offer them ALL AT THE SAME PRICE. Medium and small sizes only will be listed, however we do have a percentage of large bulbs from these bulblets and they will go to the customers who order FIRST as medium sized bulbs.

ALL MEDIUM PRICED AS FOLLOWS:

3 for .25, 8 for .50, or 18 for \$1.00. One size and variety.

ALL SMALL ARE PRICED AS FOLLOWS:

5 for .25, 12 for .50, 30 for \$1.00. One size and variety.

SHIPMENT

All orders under \$25 are sold with the understanding that the shipping charges will be paid by the customer. On orders weighing less than 16 lbs. it is more economical to use P. POST providing you can await a safe shipping date (after March 15). Railway Express has given the N.W. states a big reduction in rates on shipments of 16 lbs. or more (amounts to about 1/3 less than before). The minimum charge on any one shipment however is \$2.60.

POOL CAR SHIPMENTS

Carloads leave Portland on about March 15th for distribution from Chicago, Ill. or Trenton, N.J. We pay the charges to these points, whichever you prefer. Transportation from these points either by Ry. Express or LCL Frt. will be collect. Car shipments can only be made on orders of \$25 or more.

In case you wish earlier shipment than the car load method we will pay 1/2 the charges now under the new express rate. Just save your express receipt, mail to us and we will send you a check right back for 1/2 the amount. This applies only to orders of \$25 or more — all others will be sent collect for full charges.
